

OFFICIAL NOTICE

It has come to our notice that other organisations do not have the same Insurance coverage as we at the BJC. In the light of this the following decisions were made at the HQC meeting 6/3/2010.

BJC Members entering any event other than BJC or BJA.

All clubs and areas wishing for their members to enter any event, other than those held by the BJC or BJA would need to seek written permission from Head office for Insurance coverage. This would also include any overseas trip

BJC Club/Area Events re inclusion of other organisations.

Please note that any club/area wishing to allow members other than those from the BJC & BJA to enter their events will need to seek additional insurance coverage from Perkins Slade. Or allow only BJC & BJA participation.
